

**DRIVER'S EDUCATION AND OPEN TRACK DAYS
AT
LAS VEGAS MOTOR SPEEDWAY**

**Las Vegas Region, Porsche Club
of America**

This is our Second Open Track Event of 2010

Saturday April 10th 2010

This is a one day event on the outside road course at Las Vegas Motor Speedway (LVMS).

Although this is only a one day event, we will be running 4 x 45 minute sessions for each run group, which translates into 3 hours of track time (That's 1 & 1/2 days worth)!!

We will offer 3 different run groups, based on experience, to maximize both safety and track time. **NO first time track drivers (students)** will be allowed, as this event will not offer a ground school, nor one-on-one instruction. The cost is only \$250.00 (on-line) and will be limited to the first 75 registrants. Registration is available on-line at our webstore. (<http://lvrpca.clubstore.us.com/>).

Unleaded fuel (93 and 100 octane) will be available. No Helmets rentals. At Track Registration is \$300.00.

The gates opens at 6:30am, and the **mandatory** Driver's Meeting is at 7:30am.

Don't wait, Register today !
